

TR4055®

Thermal Transfer Ribbon Technical Data Sheet

TR4055® Standard Wax

Product Description

DNP's newest wax product features a blend of waxes and a unique resin that are combined in an ink that flows smoothly at low print energy to give uniform coverage on lower end substrates. TR4055® also incorporates technology designed to control and dissipate static charges and a backcoat proven to protect your printhead. Specially formulated to provide excellent performance in a broad range of applications, TR4055® sets the standard for everyday thermal transfer printing. In addition, TR4055® Standard Wax is coated and converted with pride in Mt. Pleasant, PA.

Recommended Applications

Recommended Substrates

Coated/uncoated paper & tag stocks

Performance Characteristics

- Designed to provide excellent performance in everyday applications on the most commonly used substrates; including coated and uncoated paper and tags
- · Good smudge and scratch resistance
- Capable of print speeds up to 6-8 IPS
- · Dark glossy printed image
- Halogen-free

Legacy Technology Services

We Rent & Sell All Types Of Barcode Equipment

Call now to talk to an expert

866-271-9891

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

• Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

· Legacy is one of the best repair facilities in North America

Discontinued product sourcing

 They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value.
 Legacy routinely purchases equipment from our clients around the globe.
 - · Data destruction
 - · Hardware disposal
 - Auditing services

Dedicated client account team

 Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

• Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
