

HP EliteDisplay S140u LED Backlit Monitor

Create a dual-display mobile workspace almost anywhere with the HP EliteDisplay S140u 14" USB Portable Monitor, an ultra-compact, strikingly thin, high-resolution display in a wraparound cover. Fold it back to add a second screen for your Windows® tablet or notebook¹ and connect with one USB cable.

Sleek, stylish, and ultra-portable.

- The super-compact, ultra-thin design weighs 2.25 pounds, and is just a half-inch thick. The magnetic cover doubles as an adjustable stand and helps protect the display so you can slide it into your carrying case with your tablet or notebook.¹

Double your visual workspace.

- Pair the 1600 x 900² high-resolution display with a notebook or tablet¹ to extend to a dual-display setup wherever you work, or make a big impression with mirror mode.

Super simple set-up.

- Get ready in a snap with the single USB cable that also acts as a power source. Fold back the cover to the desired tilt setting and connect to any USB³ port on your notebook or tablet¹ and you're ready to work.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard warranties, select optional HP Care Pack Services.⁴
- Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® and TCO qualified and EPEAT® Gold registered.⁵

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
