2012 AURA90Q1C1

The AURA-9000 takes advantage of spill- and dust-resistant features to operate in a harsh environment. From now on, never worry about careless drink spill on the printer or doubt about the durability of printing in outdoor dining area. To accelerate checkout process, its printing speed is up to 300 mm per second that fulfills busy request. AURA-9000 offers wide interface options. Moreover, wireless connection and wall-mounted capabilities allow it to be deployed anywhere!

The AURA-9000 embodies awesome reliability and performance for rugged and busy applications.
