Small, Bright, Lightweight and Easy to Connect

Increase productivity and reduce data errors in mobile business applications with the Socket Bluetooth Cordless Hand Scanner (CHS), a wireless barcode reader for smartphones and tablets that's small, portable and provides fast, industrial-class scanning performance.
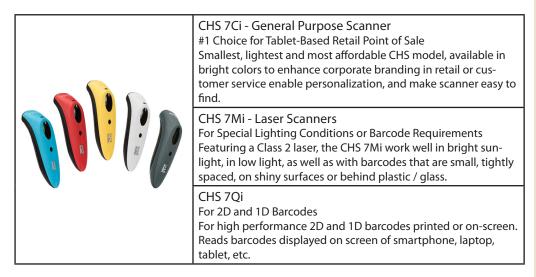

Bluetooth®

Made for
iPod iPhone iPad

- **Designed for Mobility** - Small, light, and portable with up to 14-hours battery life

- **Comfortable** - Ergonomic for comfortable use over extended periods

- **Easy to Connect** - Simply scan a barcode on the screen to quickly pair devices.

	CHS 7Ci - General Purpose Scanner #1 Choice for Tablet-Based Retail Point of Sale Smallest, lightest and most affordable CHS model, available in bright colors to enhance corporate branding in retail or customer service enable personalization, and make scanner easy to find.
	CHS 7Mi - Laser Scanners For Special Lighting Conditions or Barcode Requirements Featuring a Class 2 laser, the CHS 7Mi work well in bright sunlight, in low light, as well as with barcodes that are small, tightly spaced, on shiny surfaces or behind plastic / glass.
	CHS 7Qi For 2D and 1D Barcodes For high performance 2D and 1D barcodes printed or on-screen. Reads barcodes displayed on screen of smartphone, laptop, tablet, etc.

Hardware Features

• Easily connect to Bluetooth enabled smartphones, tablets, PDAs, notebooks and desktop computers:

- Apple iOS
- Android OS
- Windows 8, RT, 7, Vista, XP
- Windows Embedded Handheld (Windows Mobile)
- QNX, Linux
- Mac OS

• Battery Friendly technology enables up to14-hours battery life on a single charge

• Scanner automatically connects to the last device or computer it paired and connected to

• Wear around neck or attach to belt with included lanyard / belt clip for convenient access to scanner

• LED and beeps indicates good scans, ideal for noisy environments where beeps are hard to hear or applications where beeps must be disabled

• Supports both Bluetooth HID and SPP connections for easy setup with no software installation or advanced scanner control and SDK support

Special Features for Apple iOS

• Certified by Apple for iPad, iPad mini, iPhone, and iPod touch

• Quickly access Apple iOS on-screen keyboard by pressing a scanner button

• Authentication chip enables two-way communications with Apple devices running a compatible app developed with SocketScan 10 SDK. View apps at: http://www.socketmobile.com/appstore

• App to modify beep, LED, vibrate and other settings

Software - Android, Windows

• SocketScan 10 keyboard wedge enters scanned data into any app, no custom programming needed

• Socket EZ Pair automates Bluetooth setup - just scan the barcode on the screen to connect

• Suffix support -- automatically add a carriage return or tab after each scan of data

• Data editing -- reformat, extract or manipulate data

• Scanner configuration -- modify beep, LED, vibrate, and symbology settings. View Scanner's battery level

Software Development Kit (SDK)

• SocketScan 10 SDK available to members of Socket Mobile Developer Program ($19.95/year) http://developer.socketmobile.com

[1]On-screen barcode not compatible with laser scanners. Requires installation of SocketScan 10 software for Android/Black Berry/Windows or iOS app developed with SDK.

[2]Some smartphones/devices do not support both HID and SPP

Some brands we carry

About us
- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.

- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers
- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services
- Legacy is one of the best repair facilities in North America

Discontinued product sourcing
- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services
- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

Dedicated client account team
- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services
- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
