WPL406

BARCODE PRINTER

Productivity Solutions for Small Businesses

The WPL406 is a durable and reliable industrial barcode printer designed to meet medium and heavy-duty barcode printing requirements. It features a low profile design, all-metal exterior housing, and die-cast aluminum print mechanism able to withstand high volume print applications of up to 10,000 labels per day.

The WPL406 features multiple connectivity options including Ethernet, USB, and serial interfaces. It also features a backlit LCD display with 6 button control panel for quick configuration.

Durable construction, low profile design, and best in class connectivity options make the WPL406 an excellent option for manufacturing, warehousing, distribution, compliance, retail, and healthcare environments. The WPL406 includes a 2-Year manufacturer's warranty covering material defects. The warranty can be extended and upgraded to include accidental breakage with the purchase of an optional WaspProtect extended service plan.
