About us

- Legacy Technology Services is a leading nationwide provider of mobile computers, barcode scanners, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the largest repair facilities in North America and is an Authorized Repair Center for many manufacturers.

Discontinued product sourcing

- They don't make if anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.

WWS850

CORDLESS LASER SCANNER

Big Business Tools. Small Business Attitude.

The Wasp WWS850 cordless scanner gives you the freedom to roam, without the tangle of cords. Bluetooth® technology allows you to transmit barcode data up to 160 feet away from your PC with line-of-sight visibility. Data is instantly and accurately added into your active application.

The WWS850 features a laser scan engine for flexible scan range – easily read barcodes up to 25 inches away. The WWS850 complete kit includes a cordless barcode scanner, Bluetooth radio/recharge base with cable, and power supply.

Collect information on-the-go in warehouse, factory, field service and retail environments with the WWS850 cordless barcode scanner.

WASP WWS850 FEATURES

- ▶ Cordless Bluetooth technology
- ▶ Transmit data up to 160' from base station (line-of-sight)
- ▶ Scan barcodes up to 25" away
- ▶ Durable ABS plastic construction
- ▶ Support up to 7 scanners per base station
- ▶ Optional hands-free scanning

BENEFITS

- ▶ Improve efficiency by scanning barcode tags where items are located in the warehouse or in the field
- ▶ Durable construction stands up to tough, industrial environments
- ▶ High-powered laser scan engine delivers flexible read range
- ▶ Lightweight, ergonomic design is comfortable for prolonged use
- ▶ Automatically scan barcodes using the optional hands-free Autosense stand
- ▶ Reads all common ID barcodes, include UPC and RSS14
