

THE RECOGNIZED LEADER OF SUPERIOR QUALITY CASH DRAWERS

HEAVYDUTY

SERIES **100**
CASH DRAWER

EFFICIENT, COMPACT DESIGN

Small in size, the APG Series 100 cash drawer does not compromise efficiency, it actually improves upon it, increasing the effectiveness of your workstation.

Designed around a full size till, the narrow

footprint of the Series 100 minimizes the amount of counter space required. There is still ample storage in a deep under-till compartment to hold coin rolls and packaged currency. An adjustable media slot divider separates and organizes different media types.

With features including steel ball bearing slides and a robust latch mechanism, the Series 100 is proven beyond 4 million cycles. A durable till design and the resilient powder coat finish resist the abuse in even the toughest environments. Size, color, interface, accessory and configuration options complete the Series 100 solution and contribute to APG's reputation as the preferred choice amongst cash drawers.

APG CASH DRAWER®

The Recognized Leader

SUPERIOR FEATURES, SUPERIOR FUNCTION

KEY FEATURES OF THE SERIES 100

a | Adjustable Media Divider

Media divider easily snaps in and out of place for several organization options.

b | MultiPRO® Interface

The MultiPRO interface adapts to most POS platforms.

c | Four-Function Lock

Proven four-function lock offers several levels of security: locked closed, locked open, online, manual open.

d | Narrow Footprint

Heavy duty slides tucked under the till saves space.

e | Heavy Duty Latch Mechanism

Provides consistent operation.

f | Injection-Molded Inner Drawer

Coin roll storage and configurable compartments.

PROVEN DURABILITY

An adjustable media slot divider organizes different media types.
