# LPS400 Portable Shipping Scale

## Features

LPS400 scales are particularly suited to shipping and warehouse applications and general purpose weighing. These are very affordable scales with high accuracy.

A large, simple to read display can be wall or stand mounted for easy visibility and the large keyboard switches work with gloved hands (wall and desk bracket included).

The indicator cable is a coil style for durability and easy extension.

The LPS400 features RS-232 interface that can transmit and receive using a demand type protocol.

Scale comes standard with NCI protocol and interfaces to most common shipping software, including UPS™ Worldship Online.

A durable low profile platform allows for easy weighing. The LPS400 is a low cost yet versatile and portable scale.

Application – Shipping/Receiving  
– Mailroom  
– Manifest Systems  
– General Purpose Weighing

Not legal for trade

## Specifications
