

C Series Desktop Thermal Printer

Barcode Label Printers

C Series

One printer for your entire enterprise.

CognitiveTPG's C Series printers are the next generation of high-performance thermal label printers, ideal for both mid-range and desktop applications. C Series printers deliver exceptional value, durability, and performance in a small footprint.

Featuring:

- Rugged and reliable all-metal printer mechanism for continuous printing
- Die-cast metal user interface to withstand harsh environments
- Menu-driven LCD controls for easy set-up without a computer (Cxi)
- Full communication suite, including internal Ethernet, serial or parallel, and USB ports
- Print speeds up to 8 ips (Cxi) and 6 ips (Ci)
- Real-time clock (RTC) for date- and time-sensitive applications
- Large 8" OD roll capacity for high-volume applications
- Best performance-to-size ratio
- Two-year warranty

C Series -- A perfect standalone application

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
