GREATRIBBON™ PGR-A (Wax/Resin Ribbon)

PRODUCT DESCRIPTION

PGR-A is a high quality, extremely durable 4.5 micron thermal transfer wax/resin-based ribbon. This product was designed for use on uncoated papers, coated papers and synthetic labels. It has a good level of smudge resistance and heat resistance up to 212°F (100°C). These characteristics remain at speeds up to 300 mm/s (12 ips), and with 200, 300, and 600 dpi print heads, making this ribbon perfectly adapted to the labeling market or the flexible packaging printing market. This ribbon has an outstanding back-coat technology, ensuring excellent print head protection, preventing clogging and static build-up. An excellent ribbon and label system combines GreatRibbon, PGR-A and Kimdura® synthetic labels.

USAGE

- Melting Point: 167°F (75°C)
- Storage Temperature: 40°F to 95°F (5°C to 35°C) at 20% to 80% Relative Humidity
- Avoid high temperature, high humidity and direct sunlight during storage
- Recommended Shelf Life: one year

APPLICATION NOTES

- Recommended for environments and applications where good image durability is required.
- Remarkable resistance to smudging.
- Ribbon is anti static build up treated).
- Recommended for inventory, shipping, pharmaceutical, flexible packaging, flexible packaging for frozen applications, retail labeling, signage & logos, tags, direct food contact, outdoor applications and conveyor sorting.

Recommended Thermal Transfer Label/Tag Materials: GreatLabel™ TTL, GreatTag™ TTT, Kim-Syn™

Food contact: This ribbon is compliant with the European Directive 1935/2004/EC.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
