

- Thin Bezel Style with "Built for Touch" Reliability
- Pure-glass touchscreen for optimal image quality
- 54% energy savings using LED technology
- 3 year standard warranty

2740L 27-inch Open-Frame Touchmonitor

The Elo Touch Solutions 2740L 27-inch full HD open-frame touchmonitor delivers a professional-grade large format display in a slim, integrated package. The 2740L is designed for use in public environments in applications like information kiosks, ticketing, gaming machines, self-service stations and digital signage. The touchscreen glass meets the "ball-drop" test for high impact resistance and durability, and works even if scratched.

The 2740L is available in two surface acoustic wave technology versions, IntelliTouch single-touch and IntelliTouch Plus with multi-touch capabilities, supporting both Windows 7 and Windows 8. These pure-glass touchscreen technologies combine long-term reliability and drift-free stability with high-quality optics that preserves color purity. The bright, high

contrast LED display offers a full HD cinematic-like experience to instantly grab and hold the user's attention.

LED backlighting also allows for a slim mechanical design with narrow outside dimensions giving kiosk integrators an edge in developing the most aesthetically pleasing enclosure designs.

Compared to LCDs with CCFL backlights, LED displays consume less power, and generate less heat.

Because the product enclosure is controlled by Elo Touch Solutions' specifications and tooling, Elo's open-frame monitors have a long-lasting product cycle, which is important to maintain continuity through all phases of project rollouts and servicing. Future-generation panels can be phased in without any external changes needed to the kiosk or cabinet.

Benefits:

- Designed for public use with chemically strengthened scratch-resistant glass passing UL60950 "ball-drop" test
- 1080p full HD display with wide viewing angle easily attracts and holds viewer's attention
- Multiple mounting options, in both landscape and portrait mode

Applications:

- Kiosks
- Point of Information Displays
- Gaming Systems
- Ticketing Machines

About Elo

Elo founders pioneered the touch screen over 40 years ago. Today, Elo Touch Solutions is a leading global supplier of touch-enabled technology, products and industry solutions. The Elo portfolio encompasses the broadest selection of OEM touch screen components, touch monitors, and all-in-one touch computers for the demanding requirements of diverse markets, including gaming machines, hospitality systems, industrial automation, interactive kiosks, healthcare, office equipment, point of sale terminals, retail displays, and transportation applications. The Elo touch experience has consistently stood for quality, reliability and innovation with over 20 million installations worldwide.

2740L 27-inch Open-Frame Touchmonitor

Specifications	
Model	2740L
Color	Black
Active Display Area	597.6 x 336.2 mm / 23.5 x 13.2 inches
Dimensions*	632.2 x 373.4 x 42.6 mm / 24.9 x 14.7 x 1.7 inches
LCD Technology	Active matrix TFT LCD with LED backlight
Diagonal Size	27 inches
On-Screen Display (OSD)	Accessible through switches on the OSD Control Remote accessory. Controls: Menu, Up, Down, Select Settings: Brightness, Contrast, Clock, Phase, H-position, V-position, Auto-Adjust, Aspect Ratio, Sharpness, Color Temperature, OSD Timeout, OSD Language, Recall Defaults, Video Source Languages: English, French, Italian, German, Spanish, Simplified Chinese, Traditional Chinese, Japanese Lockouts: OSD, Power
Mounting Options*	200mm x 100mm VESA 4-hole mounting interface on rear of unit. Side mounting brackets included with the unit.
Aspect Ratio	16:9
Native Resolution	1920 x 1080
Preset Video Timings	640x480 60Hz, 720x576 50Hz, 800x500 60Hz, 800x600 56, 60Hz, 1024x768 60Hz, 1280x720 50,60Hz, 1280x800 60Hz, 1280x1024 60Hz, 1366x768 60Hz, 60Hz RB, 1440x900 60Hz, 60Hz RB, 1680x1050 60Hz, 60Hz RB, 1920x1080 50 60Hz
Number of Colors	16.7 million
Brightness (typical)	LCD Panel: 300 nits; IntelliTouch: 270 nits, IntelliTouch Plus: 270 nits
Response Time (Tr+tf) (typical)	12ms
Viewing Angle (typical)	Horizontal: 178 °; Vertical: 178 °
Contrast Ratio (typical)	3000:1
Video	Analog VGA on Female DE-15 connector; Digital DVI on Female DVI-D , Dual-Link connector Input Video Horizontal Sync frequency range: 31.5-80KHz
Power	Monitor input power connector: Coaxial power jack (2.1mm pin outer diameter, 6.4mm barrel inner diameter) Monitor input power signal specifications: 12VDC +/- 5% Note: This monitor is sold with an AC-DC power adapter. Adapter input connector: IEC 60320 C14 Adapter input voltage range: 100-240VAC, 50/60Hz Power Consumption (Typical): ON (monitor + AC/DC adapter): 38W; SLEEP (monitor + AC/DC adapter): 1.3W; OFF (monitor + AC/DC adapter): 0.4W
Weight	Unpackaged: 7.5 kg (16.5 lb); Packaged: 10.5 kg (23.1 lb)
Shipping Dimensions	788 x 536 x 233 mm / 31 x 21.1 x 9.2 inches
Temperature	Operating: 0 °C to 40 °C (32 °F to 104 °F); Storage: -20 °C to 60 °C (-4 °F to 140 °F)
Humidity (non-condensing)	Operating: 20% to 80%; Storage: 10% to 90%
Regulatory approvals and declarations	Argentina S-Mark, Australia C-Tick, Canada CUL, IC, China CCC, Europe CE, Japan VCCI, Korea KCC, e-Standby, Mexico COC, Taiwan BSMI, United States FCC, UL, International CB, RoHS, China RoHS, WEEE
Warranty	3 years standard
MTBF	50,000 hours demonstrated

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
