

Epson Mobilink™ P20

Wireless Receipt Printer

- Compatible with iOS, Android and Windows mobile devices
- Ultra compact and lightweight
- Best-in-class operational battery life for ultra compact printers of up to 8 hours¹
- Highest printing speed in its class of up to 100mm/second
- Easy setting with TM Printer Utility²
- Supports 802.11a/b/g/n with 2.4GHz/5GHz compatibility and Bluetooth® 3.0 (EDR supported)
- 6.5' drop rating; IP54 ready with padded case
- Paper-saving options up to 23%

Increase your productivity with the ultra compact, high performance Mobilink P20. Reliable and easy to use, it has the best battery life in its class, is NFC pairing-ready and supports all the leading mobile operating systems.

Big performance in a small footprint

Epson's Mobilink P20 is an ultra compact receipt printer that weighs only ½ pound and fits in the palm of your hand. It delivers all the features you need to print anywhere, anytime. It offers the fastest printing in its class with speeds up to 100mm/second, flexible connectivity options, a ruggedized design with a 6.5' drop rating and is IP54 ready with its padded case.

Industry-leading battery life

To ensure uninterrupted service to your customers, Epson's Mobilink P20 features a best-in-class operational battery life for ultra compact printers of up to 6 hours with WiFi models and up to 8 hours with Bluetooth models.¹

Easy setting with TM Printer Utility App

The Mobilink P20 is ready to connect with your custom mobile POS application easily with Epson's TM Printer Utility App. Its Easy Setting feature enables automatic and intelligent configuration for initial WiFi setting. And the TM Printer Utility App comes with fast NFC pairing technology to increase your productivity.²

Multi-platform printing made easy

With Epson's unique ePOS-Print technology, the Mobilink P20 can print from any devices running an iOS, Android or Windows operating system with a WiFi or Bluetooth connection, using a HTML5 browser or native application. This provides an easy and smart solution for today's mobile printing requirements.

Compatible and ready to go

The Mobilink P20 printer is compatible with all of today's best-of-breed POS systems and the latest industry-standard wireless security protocols. The printer supports 802.11a/b/g/n with 2.4GHz/5GHz compatibility or Bluetooth® 3.0 (EDR supported). It also comes complete with ESC/POS®, OPOS, JavaPOS and Windows® drivers which means your current POS software and applications are instantly compatible.

Reduce your paper costs

With the Mobilink P20 you can reduce your paper usage by up to 23%. The paper-saving settings are easy to use and do not affect print quality, readability or font size.

Ultra Compact Two-Inch Mobile Wireless Receipt Printer

All the features you need

- Compatible with iOS, Android and Windows mobile devices
