

Epson

# TM-C610 & TM-C620

## Color Inkjet Printers

- Color-on-demand printing for marketing receipts and coupons
- Proven reliability with over 250,000 printers installed
- High-speed printing up to 3.7" per second
- Uses standard 90mm diameter paper rolls
- Selectable print resolution up to 360 x 360 dpi
- Easy user access with front-loading paper and ink cartridges
- Small footprint allows easy fit on counter or shelf
- USB 2.0 or Ethernet interfaces
- ENERGY STAR® qualified

Now food service chains and specialty stores can get all the benefits of high-impact color receipt and coupon marketing at the Point-of-Sale with Epson's fast, reliable TM-C610 and TM-C620 color inkjet printers.

### Proven success of color marketing

Epson's compact, full-color TM-C610 and TM-C620 printers give you the flexibility to print on-demand color receipts and coupons in seconds that target specific customers one-on-one or specific products and offers. Retailers across the country are already using Epson's color inkjet printers with amazing success. They have reported that redemption rates have increased up to 25% over black and white coupons, and both color coupons and receipts can increase order sizes and customer visits.

### All the features you need

The TM-C610 and TM-C620 printers offer full-color receipt and coupon printing on demand using Epson's proven MicroPiezo® color inkjet technology. They feature print speeds up to 3.7"/sec, easy front-loading paper and ink cartridges and a small footprint that allows easy fit on a counter or shelf.

### Low power consumption

Both the TM-C610 and TM-C620 are ENERGY STAR® qualified and RoHS compliant to help you meet your environmental goals and reduce your costs.

### Available in two models

The TM-C610 model uses Epson's high-quality 3-color ink cartridges. The TM-C620 model features a built-in Print Management System that precisely measures ink usage and triggers cartridge replenishment to each store location as needed. This means you will always have ink in stock without the hassle of monitoring and reordering.

### Backed by the leader

The TM-C610 and TM-C620 color inkjet printers feature the quality and reliability that Epson is known for and are backed by Epson's industry-leading service programs. For more information, go to [pos.epson.com](http://pos.epson.com).

# Epson TM-C610 & TM-C620 Color Inkjet Printers

Printer Specifications		TM-C610/TM-C620

	Power consumption	Operating: approximately 13 W; idling: approximately 3 W
	Power supply	Epson AC adapter included
	Reliability	MTBF
		MCBF
	Print head life	6 billion shots per nozzle
	Overall dimensions	7.3" x 7.9" x 7.7" (W x D x H) {185 x 200 x 195 mm}
	EMC standards	VCCI class A, FCC class A, CE marking, AS/NZS CISPR22 Class B
	Safety standards	UL, CSA, TUV (EN60950-1)

Inch values are approximate.  
dpi: dots per 25.4mm (dots per inch)

Ink cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields will be lower when printing infrequently or predominantly with one ink color. A variable amount of ink remains in the cartridge after the "replace cartridge" signal. Part of the ink from the first cartridge is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and color printing.
