

19" Touch Screen Monitor

P19BC Series

Wide Screen

Features:

- High contrast color TFT Active Matrix LCD
- High resolution 1366 x 769 display
- LED backlight
- Compatible with VGA, IBM and VESA signal standards (resolution/timing auto-detected)
- Advanced OSD control for picture quality adjustment
- VESA standard mounting (100mm)

Gvision's P19BC is a 19" wide format screen touch screen display designed specifically for use in rugged and harsh point-of-sale (POS) environments where customers need the maximum amount of screen real estate for their applications. The P19BC uses an LED backlight which keeps power consumption to a minimum, thereby increasing your total cost of ownership (TCO). It is the ideal solution for demanding applications that requires a stable monitor and resilient touchscreen.
