

# BUILT BRILLIANTLY FROM THE INSIDE OUT

HP LD4700 Widescreen LCD  
Digital Signage Display

## HP LD4700 47-inch Widescreen LCD Digital Signage Display

HP's stunning 47-inch LCD digital signage display is backed by an end-to-end solution.

Built on HP performance class technology, the HP LD4700 47-inch Widescreen LCD digital signage display enables businesses, schools, hospitality and government agencies to display large graphics, text, video or professional advertisements digitally on one or multiple widescreen LCD digital signage displays—helping to save money on traditional static signage and increase ROI.

Big, bold and beautiful

The bright 500-cd/m<sup>2</sup> screen, 1000:1 contrast ratio (3000:1 dynamic contrast ratio), and 1920 x 1080 native resolution offer stunning views in both bright and dim lighting. The ultra-wide 178 x 178 degree viewing angle allows for viewing at almost any angle.

Brilliant for any business

With a sleek black design, the HP LD4700 display can update dynamic messaging or graphics on demand or deliver to multiple displays from one single source. It is built to fit in trendy indoor environments or outdoor environments such as:

- Point of Sale (POS) displays at retail stores and shopping malls
- Airport, railway and bus terminals
- Restaurants, cinemas and stadiums
- Universities, stock exchanges, hospitals and more

Flexible, seamless HP solution

HP offers an end-to-end hardware solution to help you get the most out of your display:

- VESA mounting features to hang the display on a wall or a stand to set on a

countertop, along with multiple positioning for vertical or horizontal placement

- An HP PC, Workstation or Thin Client to store data and control updates (Optional to bundle)
- Audio and video delivery through a combination of transmitters, splitters and remote receivers
- Optional speakers for audio
- Maximum connectivity for an array of inputs (for additional security, HDMI offers HDCP)

Worry-free longevity and reliability

The ability to run 24/7 with low power usage allows for longevity, unlike large TV screens. Fully tested and qualified for out-of-the-box functionality and compatibility with all HP business products, the LD4700 displays has a three-year limited warranty and is backed by HP service and support from 65,000 IT professionals worldwide.
