## Industrial-Grade Full-Range Area-Imaging Scanner

The Granit™ 1980i industrial-grade scanner features full-range area-imaging technology capable of reading both 1D and 2D barcodes across a wide range of distances. From poor quality 2 mil codes scanned at close range, to 100 mil codes hanging from warehouse rafters scanned at ranges of 52 feet (16m), the 1980i is built to perform. With an unmatched range that provides incredible versatility, Granit enables maximum operator productivity in the harshest environments.

The 1980i is packed with technologies that make it simple to use. An integrated laser pointer aiming system with auto-illumination, omni-directional reading capability, and support for centering take the guesswork out of scanning at extended ranges. Operators of fork trucks equipped with vehicle-mounted mobile computers, such as the Honeywell Thor™ series, will appreciate how the full-range scanning capability of 1980i allows them to remain seated—and hence more productive—while scanning pallets at extended ranges.

As a member of the Granit family of scanners, the 1980i is built to withstand the varied demands of harsh working environments. Utilizing the Granit housing that has long set the standard for scanner reliability, the 1980i is rated IP65 and is built to survive 5,000 tumbles from 3.2 feet (1m) and 50 drops to concrete from 6.5 feet (2m)—even in temperatures as low as -22°F (-30°C). As a result, operations that deploy Granit scanners can expect to experience minimal device downtime and a lower overall cost of ownership.

## Features

- **Full-Range Area-Imaging Performance:** Scans low density (100 mil) codes out to 52 feet (16 m) and high density (2 mil) codes at close range—and everything in between.

- **Built Granit Tough:** Tested to withstand the toughest environments, Granit is rated IP65 and can withstand 5,000 tumbles from 3.2 ft (1 m) and 50 drops to concrete from 6.5 ft (2 m).

- **Easy to Use:** A laser-spot aimer, omni-directional scanning, and features such as centering take the guesswork out of scanning at extended ranges.

- **Industrial Grade Cable Option:** Tested to withstand 300,000 90-degree bends at temperatures as low as -22°F (-30°C). Continues to communicate when up to 60 pounds of force is applied.

- **Single Scanning Solution:** Can replace and consolidate multiple purpose-built scanners in typical distribution center and warehouse environments.

# Granit 1980i Technical Specifications

| Mechanical | |
|---|---|
| Dimensions (LxWxH) | 133 mm x 75 mm x 195 mm (5.2" x 2.9" x 7.6") |
| Weight | 335 g (11.8 oz) |

| Electrical | |
|---|---|
| Input Voltage | 4.0 to 5.5 VDC |
| Operating Power | 2.35 W (470 mA @ 5.0 V) |
| Standby Power | 0.5 W (100 mA @ 5.0 V) |
| Host System Interfaces | USB and True RS232 |

| Environmental | |

**Some brands we carry**

**About us**
- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.

- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

**Latest Hardware from top manufacturers**
- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

**Expert Repair and Maintenance services**
- Legacy is one of the best repair facilities in North America

**Discontinued product sourcing**
- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

**Trade-in and Disposal services**
- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

**Dedicated client account team**
- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

**Equipment rental services**
- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
