

# VersaScan™ III

## High-Density Barcode Scanner

### Next Generation Scanner for Mobile Barcode Applications

ID TECH's VersaScan III is the third generation long range CCD barcode scanner that is backwards compatible with the VersaScan II. Its improved reading performance allows for on-screen barcode scanning of any mobile barcode on the screen of smartphones and tablets. With the ability to scan barcodes displayed on mobile phones the VersaScan III is an ideal accessory in applications such as retail, entertainment, and travel industries.

### Laser Aimer with Auto-Sensing Capabilities

The VersaScan III is an innovative class 1 laser barcode scanner with Laser Classifications of EN60825 Class 1 and ANSI Laser Safety Standards (ANSI Z136). The VersaScan III features an enhanced auto-sensing mode, allowing the scanner to operate while resting in its stand. When the scanner detects a barcode is present, it will automatically activate, allowing users the freedom of scanning barcodes without a scanner in their hands. With two hands free to manage other tasks, the VersaScan III provides added productivity.

### Added Features for a Variety of Environments

The VersaScan III comes equipped with two new features from the previous generation. A built-in vibrating indicator allows the VersaScan III to operate in very quiet and extremely noisy environments. The vibrator indicator can be turned on or off to suit the necessary application. The VersaScan III also has a protective bezel to safeguard the scanner head during the possibility of being dropped in rugged or industrial environments.

## Features and Benefits:

- High Density Read-on-Screen CCD Sensor
- Long range scanning up to 13.8 inches
- Auto-sensing mode
- Rugged design for industrial environments
- Supports most standard 1D barcode symbologies
- Data editing features
- Configuration cloning capability
- 200 scans per second
- Trouble-free interchangeable communication cable between RS232 and USB Keyboard interfaces

# VersaScan™ III

## Specifications IDBC-44X1LR

### Electrical

Power Requirements:	5 VDC $\pm$ 5%
Interfaces:	RS232, USB Keyboard
Light Source:	630 nm visible red LED 525nm visible green LED
Sensor:	2048 pixel CCD

### Environmental

Operating Temperature:	32° F to 104° F ( 0° C to 40° C )
Storage Temperature:	14° F to 140° F ( -10° C to 60° C )
Humidity:	0%-85% non-condensing
Drop test:	5.9 feet (1.8m)

### Regulatory

EMC:	CE, FCC part 15, Class B
ESD:	Functional after 4KV contact, 8KV Air discharge
Safety:	RoHS 2.0, WEEE, IEC 60825-1

### Mechanical

Dimension (WxLxH):	2.80 inches (71 mm) x 6.54 inches (166 mm) x 3.31 inches (84 mm)
Weight:	5.15 oz (without cable)
Indicator:	buzzer, LED, vibrator
Color:	Grey
Cable Length:	2.1m
Ambient Light:	10,000 Lux (Fluorescent Light)
Scan Rate:	200 scans/ sec
Resolution:	3mil/ 0.075mm
Width of Field:	166mm (13Mil Code39)
1D Symbolologies:	UPC-A/UPC-E, EAN-8/EAN-13, Industrial 2 of 5, Codabar, Matrix 2 of 5, Code 11, Code 93, Code 32, Code 128, Standard Code 39, Full ASCII Code 39, Interleaved 2 of 5, China Postal Code, MSI Plessey Code, UK Plessey Code, EAN/UCC 128, Telepen Code, IATA Code, GS1 Databar

## About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

## Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
