

iMag Pro™

Credit Card Reader for iPhone, iPod, and iPad

Card Swiping on your iPhone, iPod, and iPad

The ID TECH iMag Pro is a magnetic stripe reader for all Apple mobile devices: iPhones, iPods, and iPads. Use your mobile device to read a variety of magnetic stripes including credit cards, signature debit cards, gift cards, loyalty cards, driver's licenses, and ID badges.

Superior MagStripe Reading Performance

The iMag Pro utilizes ID TECH's proven MagStripe reading technology, providing bi-directional card reading of up to three tracks of information. With a guaranteed operating life of at least 100,000 card swipes, the iMag Pro offers exceptional card reading capabilities in a durable form factor.

Incredible Convenience

The ID TECH iMag Pro allows merchants to provide their customers with another acceptable method of payment, and with the capability to swipe credit cards, merchants can save money by avoiding costly card-not-present fees. With the ID TECH iMag Pro, merchants can accept credit card payments wherever they go.

Features and Benefits:

- Supports TDES and AES encryption using DUKPT Key Management
- Reads up to three tracks of card data
- Superior MagStripe reader performance
- Bi-directional card reading
- Low battery consumption
- No external power supply required
- Small form factor for comfort and mobility
- Durable design that connects to any Apple mobile device
- Optional clip for the iPad that provides additional support

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
