

Product profile

INdelible Label

Thermal Transfer Film

- Extremely durable printed image enables use in high-abrasion applications
- Labels are UL recognized for permanent marking of electronics
- Recommended for high temperature applications (300F)
- Extremely durable label for outdoor applications (3 years +)

Intermec's INdelible Label is an extremely durable label that readily endures outdoor exposure to rain, snow, and ultraviolet light for three years or more. Its highly abrasion-resistant synthetic facesheet survives extremely challenging environments where labels are subject to heavy wear, while its high tack adhesive develops a strong bond with a wide range of surfaces, from metals to glass and plastics. With temperature resistance to 300°F and good solvent resistance, this label stock is ideally suited for labeling applications such as:

- Automotive components
- Aerospace components
- Electronics labeling (UL recognized nameplate)
- Appliance labeling (UL recognized nameplate)
- Medical devices
- Medical specimens (vials, slides, etc.)
- Lawn and garden equipment
- Building products
- Oil and gas industries
- Drum labels
- Valuable asset tracking
- Industrial bins

Intermec Advantage

Intermec printers and media are optimized to deliver superior performance when used together. Our rigorous testing and co-engineering ensures consistently high print quality, proven label and tag performance in demanding real-world environments, and maximum print head service life for reduced downtime.

Intermec printers and media are complemented by the industry's only complete line of integrated solutions and services, including rugged mobile computers, RFID systems, and advanced scanning technology. Intermec products and services are used by customers worldwide to improve the productivity, quality and responsiveness of their business operations.

Product	Description	Applications
INdelible	A high gloss white, top-coated polyester with a high-tack adhesive.	Product compliance labeling, automotive labeling, permanent tote labeling, medical device labeling, asset tracking, UDI-Medical (Unique device identification) IUID-DOD (Item Unique Identification)
INdelible HP	A high gloss white top-coated polyester label employing a heavy coat weight permanent adhesive designed to develop a strong bond on rough and/or contaminated surfaces.	Product compliance labeling, automotive labeling, permanent tote labeling, medical device labeling, asset tracking, UDI-Medical (Unique device identification) IUID-DOD (Item Unique Identification), B55609 IMDG
INdelible Silver	A high gloss silver, top-coated polyester with a high-tack adhesive.	Product compliance labeling, automotive labeling, permanent tote labeling, medical device labeling, asset tracking, UDI-Medical (Unique device identification) IUID-DOD (Item Unique Identification)
INdelible Clear	A high gloss clear, top-coated polyester with a high-tack adhesive.	Product labeling, asset labeling, provides "no label" appearance
INdelible VOID	A high gloss white, top-coated polyester with a high-tack tamper-evident adhesive.	Product Labeling, warranty seal labeling, security closure labeling
INdelible 4-mil	A high gloss white, top-coated polyester with a high-tack adhesive.	Recommended for auto apply equipment, Product compliance labeling, automotive labeling, permanent tote labeling, medical device labeling, asset tracking, UDI-Medical (Unique device identification) IUID-DOD (Item Unique Identification)
INdelible Matte	A matte white, top-coated polyester with a high-tack adhesive.	Product labeling, nameplates, asset labeling, permanent tote labels, Rack/Shelf/Bin labeling, automotive labeling
INdelible Matte Silver	A matte silver, top-coated polyester with a high-tack adhesive.	Product labeling, nameplates, asset labeling, permanent tote labels, automotive labeling

Product	Facestock (mils)	Adhesive	Liner	Peel adhesion to stainless steel (oz/in)	Ribbon Compatibility	Recommended Outdoor Use	Compliance	Storage

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
