LE2000

Multi-touch Monitor

Bematech's LE2000 is the ideal solution for high-end businesses seeking a sophisticated terminal at their Point of Sale. The monitor has multi-touch projective capacitive touch capability, and functions well with complex software applications. The bezel-free, true flat design is perfect when a stylish unit is favored. The viewing angle of the 15" monitor can be adjusted up to 90 degrees and the integrated 2nd display has a 2 hinge tilt adjustment, which enhances the overall flexibility of the unit. The LE2000 was built with superior functionality, while maintaining an elegant exterior design.
