- Fanless operation

- Customer display, magnetic stripe reader and barcode scanner integration

- 9.7" 5-wire resistive touch monitor

- Android operating system

- WiFi and Bluetooth integrated

# SB8010A
## Android POS Terminal

## Compact Android All-in-One POS Terminal

The SB8010A is a cost effective All-in-One POS terminal with compact footprint and fanless design. The unit runs on an Android operating system, keeping the cost of the POS solution to a minimum, as compared to other systems in the market. Integration of VFD customer display, magnetic stripe reader and barcode scanner eliminates issues with device connectivity, mounting compatibility and cable management.
