PayVue™ Illuminated Cash Drawer

Innovative design for cash handling in
low-light environments

NEW

LED
LIGHTING

*Patent Pending

PayVue™ improves transaction accuracy, speed and customer
service by clearly lighting the drawer during transactions

Ideal for restaurants, bars and night clubs

PayVue™ Key Benefits

PayVue's integrated light source is designed to:

Improve accuracy

Helps minimize mistakes when light is strategically focused on the cash drawer content to identify correct bills and coins.

Enhance speed — resulting in better customer service

Transactions are quicker when employees can easily identify the currency they are handed.

Increase loss prevention tactics

PayVue™ makes it easier to spot improper cash handling at the drawer and with the integrated LockIt® system, the drawer has dual built-in loss prevention tools.

Maintain right atmosphere

Don't disturb an establishment's low-light ambiance with outer spotlights around the POS system. PayVue™ illuminates the area where it's needed the most for easier currency identification.

We asked cash drawer users...

"How do low-light settings impact transactions?"

83%

find it difficult to perform accurate payment transactions

82%

find it difficult to identify bill denominations

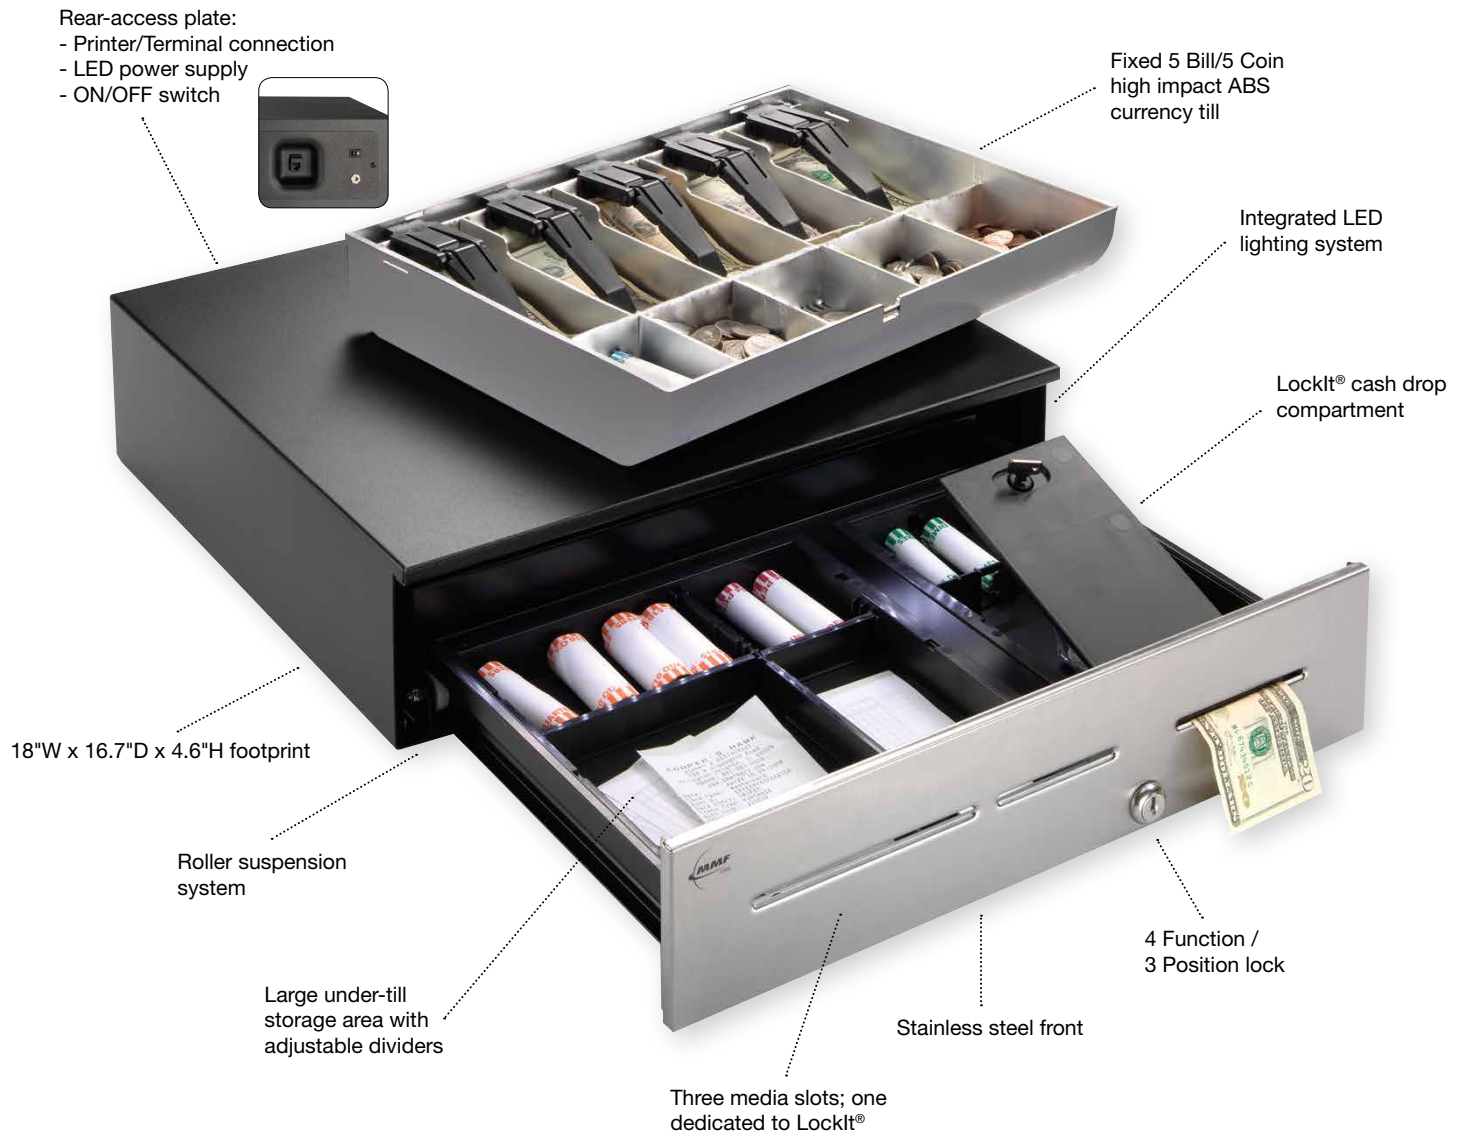

"Would illumination be a benefit?"

75%

felt illumination would be very valuable

MMF POS Market Research study, 2015

The patent-pending PayVue™ Illuminated Cash Drawer utilizes an energy-efficient light source specifically designed to make it easier for operators to quickly and more accurately identify cash and coin during payment transactions in low-light settings.

Features

- Energy-saving, warm white LED light source automatically turns on when the cash drawer is open, and off when it's closed.
- Illumination can be controlled by the ON/OFF switch. Simply turn off when it's not needed.
- Three media slots and a large under-till storage area with adjustable dividers—perfect for coin rolls, strapped currency, receipts, small tablets or office supplies.
- The LockIt® integrated cash drop compartment with its dedicated media slot provides additional secured storage.
- Stainless steel front with black body is a compelling combination of color and material.
- Constructed of heavy-gauge steel with a scratch and chip-resistant finish for enhanced longevity.
- Robust 5 bill/5 coin fixed till—one solid piece molded out of high-impact ABS plastic for extra strength.
- Universal RJ12 interface (24Vdc or 12Vdc) connection for flexible adaptation into new or existing applications (printer or terminal specific cable sold separately).
- A “Green” product manufactured in the US, with 50% recycled steel, ISO 9001-2008 (PJR certified) and RoHS compliant.

Part Numbers	Descriptions
MMF-L18171-04	18"W x 16.7"D x 4.6"H Cash drawer, warm white light, 5 bill / 5 coin fixed till, 24Vdc printer driven (specific printer cable sold separately)
MMF-L18172-04	18"W x 16.7"D x 4.6"H Cash drawer, warm white light, 5 bill / 5 coin fixed till, 12Vdc printer or terminal driven (specific printer/terminal cable sold separately)
MMF-L550-50	Currency till, 5 bill / 5 coin, fixed dividers, ABS bill weights, Silver
MMF-LCVR-04	Currency till lockable cover for MMF-L550-50, Black
Illuminated Cash Drawer	Specifications
Dimensions	18"W x 16.7"D x 4.6"H 457W x 424D x 117H mm
Construction	18-20 Gauge heavy-duty steel
Housing Color Finish	Chip and scratch-resistant texture powder coat; Black
Front Panel	Stainless steel with three slots; LockIt® compartment
Rails	Roller suspension system
Lock	4 Function / 3 Position security lock
Keys	Random key code options, two (2) keys included
Currency Till	High impact ABS; US fixed configuration (5 bill / 5 coin); Silver
Connectivity	Universal RJ12 interface (24Vdc or 12Vdc) connection; single drawer operation (Printer or terminal specific cable sold separately)
Light Source	Energy-saving and eco-friendly 12Vdc LED; 12Vdc/.8mA power supply included (UL and RoHS Compliant)
Light Color	Warm white LED; other colors available upon request
Light Switch Control	Only turns on when cash drawer is in open position; secondary switch with ON/OFF operation for daytime use
Life Cycle (Cash Drawer Mechanism)	4 Million Cycles
Warranty (Cash Drawer)	5 Years standard; Lifetime limited warranty; Lifetime technical support

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
