⊙ TABlock™ Series
Versatile Tablet Protection

Secure & Flexible Tablet Enclosure

FleX-7™
and
FleX-10™

TABlock™ Series features...

- Discreet, secure tubular-keyed lock provides maximum asset protection and prevents unauthorized use.

- Patent-pending **EZ-FleX**™ spring-loaded mechanism adapts to most tablets affording cross functionality to the ever-changing tablet hardware.

- **Swivel-MAX**™ technology allows 360° rotation for portrait or landscape orientation and optimized viewing angle.

- Rugged and lightweight aluminum structure is radio transparent for Wi-Fi, Bluetooth and 4G-LTE friendly.

- Built-in 3.5mm audio port for most credit card readers, external speakers, or any application requiring the headphone jack.

- Convenient design facilitates installation and maintenance access.

- Mounts to a counter, cash drawer, wall or any flat surface for versatile installation.

Also available in red and white
