KIOSK DESIGN & MANUFACTURING

Built to Last - Built Right - Built Here

See why Meridian is chosen by Hewlett Packard, US Army, Red Bull, Food Lion, Boeing, Walmart, AT&T, numerous banks, auto manufacturers and hundreds of other companies world wide.

We provide them with standard designs as well as OEM services for kiosks designed specifically for their own company.

From concept to completion, we specialize in design, fabrication, assembly and integration of self-service kiosks. We design and manufacture standard kiosk designs ranging from small form factor units to larger kiosks that support multiple applications and many devices in a single unit.
