

EVO

Heavy Duty Cash Drawer

This 16 x 16 inch narrow-footprint drawer has a full sized till with innovative springless bill weights, making it the perfect choice for minimal space and maximal performance. The bill weights have the dynamic snap back expected of a heavy duty unit, without the vulnerable springs of other tills.

This high volume cash drawer has extended steel ball-bearing slides with 30 bearings a side, and is proven beyond 4 million cycles. The small footprint and thick gauge cold-rolled steel case with black powder coat finish make this a sleek, durable, and efficient cash drawer for the heaviest of retail or restaurant environs. Interface compatible with all POS-X hardware, Epson, Citizen, Ithaca and Star among others.

Key Features

- 5 adjustable bill and coin slots
- Available in black 16"
- Interchangeable interface cables
- Heavy duty bill weights
- Shatter-proof ABS drawer
- 5-year warranty with 2-day Advance Exchange service
