TM4 Touch Monitor

The EVO TM4 Touch Screen Monitor features features state-of-the-art Tru-Flat Resistive Technology. The zero bezel design eliminates the frame found on traditional monitors, creating a seamless, smooth surface. The screen is easy to clean and is resistant to water, dust, grease, and food build-up, making it the ideal choice for retail or restaurant settings. The TM4's aluminum alloy frame and stand can withstand the harshest of environments.
