CD-70 Customer Display
Brilliant colors deserve exclusive housing

The CD-70 is a 7″ display, which has a stylish and modern bezelfree design.

It can be applied as a second, customer-facing display in retail environments. Another adoption is to use it as main display for applications requiring a small screen. Through the pole stand the monitor is adjustable and can be fixed easily in the required position convenient for the customers.

Via USB interface the videosignal as well as the one for power (5V) is applied. The low power consumption of CD-70 is 2.5 W with LED backlight.

The cost and space-saving display includes a VESA mount for flexible installation.

Special Features:

Bezelfree monitor

Spill and dust proof monitor, meets IP54 requirements

USB interface, providing CD-7220 emulation (for easy start)

Power supplied by USB connection (5V)

Low power consumption of 2.5 W with LED backlight

ON / OFF switch

VESA 75 x 75 mm for flexible mounting options

Optional:

Pole monitor stand PMS-100
