CARE . TRUST . RESPONSIBILITY

EM-100 Enterprise Tablet is a compact stylishly designed tablet that uses the latest ARM technology with mobile work input for maximized performance. It is powered by Android™ 4.2 OS with wireless capabilities to help expand its range of applications. EM-100 is also compatible with optional accessories such as the 1D/2D barcode reader, Smart Card reader, Bio-reader, and MSR; NFC reader is a standard feature. The EM-100 Tablet provides the versatility to match various industrial needs.

It is designed for everyday use in the field, logistics, retail and restaurants, and aims to improve profitability as well as customer satisfaction.
