PM-116 POS Monitor

The multifunctional Display

The PM-116 is the new compact and modern POS Monitor. It is small and has a light weight design.

The monitor has a modern and stylish design. Through various applications it fits in many different business environments such as retail, hospitality, speciality shops etc.

The monitor can be used as Digital Signage, Customer Display, Touch-screen or as Operator Display as well as in many other business areas.

Through the pole stand the monitor is adjustable and can be fixed easily in the required position by the individual operator.

Special Features:

- Compact & small
- Light weight design
- Stylish & multifunctional
- Wide screen, support 1024x768
- Front bezel dust & spill resistant
- OSD controlled by software
- LED backlight LCD, energy saving

Optional:

- 5-wire resistive touch panel (USB or RS232 interface)
- Wallmount bracket
- Adjustable pole
