

Features

- Roll Thermal Paper
- 58-80mm Paper Width
- 230 mm/sec High Speed Printing
- Supports Full and Partial Cut
- Wall Mountable
- Interchangeable Interface Card (Serial, Parallel, Ethernet)
- Wide Range OS Compatibility
- Energy Star Qualified

The RP-600 is a high speed thermal printer for retail and hospitality environments that have efficient, green and adaptable printing needs.

The RP-600 is particularly fast with a printing rate of up to 230 mm/s at a resolution of 180 dpi. Its compact size and high performance make this dependable model absolutely ideal for many applications. The RP-600's variety of character sets can be enlarged 1-6 times both horizontally and vertically will satisfy any text requirement while the option for a watermark can individualize each print. A wide range of interface and port options allows for easy installation and simple integration to POS environments and POS solutions.
