SP-550 Touch Terminal

Quad-Core Fanless Stylish Touch Terminal SP-550 Features

- Bezel-Free with Projected Capacitive Touch
- Intel® Celeron® Processor Bay Trail-D J1900 (2.0GHz up to 2.42 GHz, 2M Cache)
- Glossy Finish with two color selection (Black or Black&White)
- Fanless design with spill and dust resistant front panel rated IP65. Entire unit is IP54 certified.

Powerful and Stylish

SP-550 is a high cost-performance value POS Terminal with a modern stylish design. It is durable yet maintenance easy if service is ever needed. The various peripherals of magnetic card reader, 2x20 line display, 7", 11.6" and 15" customer facing digital signage display maximizes the functions of the small foot print terminal on store's counter space.

SP-550 is powered by the 4th generation Intel Bay Trail Quad-Core CPU and SSD technology. The entire unit is built with no fan and no moving parts. It complies with IP54 spill and dust resistant industry standard required by all restaurants.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
