# SP-55 14 TOUCH POS SYSTEM

ADVANCED POS FUNCTIONALITY WITH STYLE

The Partner Tech SP-55 14 touch screen terminal packs POS functionality into a modern, sleek design that compliments the décor of even the most stylish restaurants and retail settings. With five color options to choose from the SP-55 14 compliments any store style and design.

## POS that Works Almost Anywhere

The SP-55 14 features a small footprint that can be used even where space is limited. The all-in-one offers options to add a full complement of peripherals including a card reader, fingerprint sensor, and NFC/RFID scanner, to keep counters uncluttered.

## Not Just a Pretty Face

The SP-55 14 has been designed to optimize workflows at the checkout. The 14-inch-wide, 16:9, PCT touchscreen makes it easy for your staff to use—even new employees can use intuitive touchscreen interfaces efficiently almost from day one.

## Flexible Interface

The SP-55 14's design allows more flexibility to change the interface depending on your device requirements, allowing a variety of configurations using serial, USB, and Optional powered USB 12V\*3 / 24V\*1 for the retail market.

### SPECIAL FEATURES

- Bezel-free 14" screen with projected capacitive touch (multi-touch)
- Dust-and spray-resistant front panel (IP65)
- Supports up to 8GB RAM
- Multiple I/O configurations available

### OPTIONAL

- Available in Classic Black, Metallic Grey and Silver White
- Supports optional customer-facing display (2x 20 VFD, 7", 11.6" or 15")
- Optional peripherals: 3-track encryption-capable MSR, Bio reader, Chip Card reader, RFID/NFC
