

DASH

The DASH is a robust Tablet PC, designed to provide mobility in many vertical applications. The DASH is sealed against spill and dust, and able to withstand a 4-foot drop. With Windows 8.1 preloaded, application developers will take less time to migrate or develop a mobile application. As a result, the DASH allows a quicker "go-to-market" product release, and a larger return on investment.

Model	DASH7E1
Display Size	7" with PCT Multitouch
Display Resolution (max)	1280 x 800, 16:10 ratio
Rugged Design	IP 54 Rating (water and dust resistant) MIL-STD-810G (4-foot drop)
CPU	Intel Atom Dual Core 1.8GHz
Memory	2GB
Storage	64GB eMMC (Option: additional 32GB microSDHC)
Operating System	Windows 8.1
Connectivities	USB x 2 Serial RS232 Headphone (3.5mm)
Audio	Internal Speaker, Microphone

Control Buttons	Power, Home, Trigger

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
