

KEY FEATURES

- Quiet, lightweight and compact
- Simple drop-and-load paper replacement
- 150mm per second high speed printing
- "Paper near end" sensor alert
- Auto Cutter
- 80mm/58mm paper width
- LAN and USB expansion modules available
- New top feed design

PP6800 Series

Posiflex PP6800 AURA Printer

The PP6800 may be Posiflex's lowest cost printer, but it is also the highest value with high speed 150mm per second printing capability with a new top feed design. With fast moving technology in POS solutions, it is important to have simple integration of peripheral devices. Easily outpacing many other printers in its class, the POS printer PP6800 alerts the user of paper jams, a paper near end sensor alert when the printer is nearly out of paper, an auto cutter, and simple drop-and-load paper roll loading. Additionally, serial & parallel support with optional LAN and USB expansion are available
