POSIFLEX™
Be the Pioneer, Be the Leader

PP8000 Series

Posiflex PP8000 AURA Printer

The new AURA PP8000 is designed for high traffic! This new thermal receipt printer offers high speed, high resolution printing at a competitive cost. It is available in two flexible connectivity options: a 2-in-1 (Serial/Parallel), or a 3-in-1 (Serial/Parallel/USB). The serial versions support baud rates up to 115,200 bps. The improved clamshell design allows for easy drop-in paper replacement with auto-feed functionality. Settings include partial or full auto0-cut capability and dual control for cash drawers. The new PP8000 comes standard with an 80mm thermal sensitive paper roll. Options include 58mm thermal sensitive paper roll adaptor and wall mount bracket kit. The AURA PP8000 is optimized for the harshest of environments with an optional spill and dust resistant cover.
