XP2000 Series

Posiflex ECR Replacement - XP2000 Series

The XP2000 Series terminal is a low cost All-in-One Electronic Cash Register (ECR) replacement integrating Point of Service (POS) functionality with a 2" thermal printer, magnetic stripe reader (MSR) and a tilt adjustable 8" or 12" LCD touch screen. The compact form factor is ideal for space limited environments, especially where countertop space is at a premium. The energy efficient fan-free design and brighter LED backlight (mercury free) means you save money and contribute to a Green environment. The terminal includes an Intel Celeron® M 600 MHz processor with 512k L2 cache, 1GB DDR2 memory and Windows POS Ready.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
