

ADAPTABILITY GIVES YOU MORE

OMNII XT15

The Omnii™ XT15 is uniquely adaptive by design – combining extreme versatility with open innovation to deliver the flexibility you require to adapt as your business needs change. As the next evolution of the Omnii platform, the Omnii XT15 takes the best features of the Omnii XT10 and adds new functionality to create a device that gives mobile workers the greatest access to business applications – anytime, anywhere. With its certified IP67 and IP65 rating, the Omnii XT15 delivers reliable performance and unparalleled adaptability for the most demanding of environments and applications. Find out why Omnii XT15 is the ultimate supply chain handheld solution.

FEATURES AND BENEFITS

Technology made tough

The Omnii XT15 comes with the option of Windows® CE 6.0 or Windows® Embedded Handheld 6.5 operating systems, both of which integrate seamlessly to automate key processes and boost productivity in real-time. Plus, it is certified IP67 and IP65 so it will work wherever you take it.

Field-Upgradeable Adaptability

Omnii XT15 is always fit for purpose, so you can configure it the way you want and later bolt on what you need. This allows for future-proof flexibility as hardware can be reconfigured – and not replaced – saving your business up to 30% on lifetime total cost of ownership.

Real-World Practicality

Motorola understands how to make mobile workers more productive in the harshest of environments and we have designed all elements of the Omnii XT15 to reflect that expertise. Built with the Texas Instruments® OMAP3 microprocessor and a designed Custom ASIC architecture, Omnii XT15 delivers industry-leading performance and efficiency with an extended battery life of up to 20 hours.

The 3.7" VGA color display allows for improved worker visibility and the 95db keypad beeper with vibration feedback is perfect for loud industrial environments

Optimized Ergonomics

Ergonomics are crucial to ensuring mobile workers are efficient and effective on their jobs. The Omnii XT15 features a balanced construction that is perfectly weighted for comfort, practicality and Natural Task Support. Furthermore, Omnii XT15 is equipped with PsionVU software and transfective touch screens that enable a friendly user interface.

Flexible wireless connectivity options

802.11a/b/g/n Wi-Fi provides compatibility with virtually any wireless LAN; support for 'n' provides plenty of bandwidth to support any application.

Rugged design for superior reliability and TCO

With a dual IP65 and IP67 sealing, workers can spill water on or even drop the device in a puddle of water — or work out in the pouring rain. And even a 6.5 ft./2 m drop to concrete won't impact operation.

THE ULTIMATE HANDHELD FOR SUPPLY CHAIN LOGISTICS

TECHNICAL SPECIFICATIONS

PHYSICAL CHARACTERISTICS

Dimensions	8.86 in. L x 3.86 in. W x 1.73 in. D (at display); 1.22 in. D (at grip area) 225 mm L x 98 mm W x 44 mm D (at display); 31 mm D (at grip area)
Weight	1.34 lbs./610 g (basic unit with battery)
Keyboard Options	59-key full alpha numeric; 55-key Alpha Numeric; 66-key QWERTY Numeric 36-key Numeric; 36-key Numeric Alpha Modified; 36-key Numeric; Ultra-white backlight
Power	5000 mAh high capacity Lithium Ion smart battery
Display	3.7" VGA (640 x 480) Transflective Color/Touch Display; 2 Touchscreen options: High Visibility option, Extreme Duty option
Audio	Integrated microphone and speaker; high volume 95dBA beeper; optional push-to-talk speaker; vibration feedback
Camera (optional)	3 Mega pixel, autofocus, 4X digital zoom, Dual LED flash, Video capable
GPS (optional)	SIRF III GPS Receiver
PERFORMANCE CHARACTERISTICS	
CPU	TI OMAP 3, 800 MHz
Operating System	Windows® CE 6.0; Windows® Embedded Handheld 6.5
Memory	256 MB RAM (512MB Option) and 1GB Flash
Bar Code Scanner	Motorola SE955 Std Range Laser; Motorola SE1224HP 1D Std Range Laser; Motorola SE1524ER Auto-Range Laser; Motorola SE4600 1D/2D Extended Range Imager
Application Software	Windows CE 6.0: Internet Explorer Embedded; Microsoft Wordpad Windows Embedded Handheld 6.5; Windows® Office Mobile 2010, includes Word, Excel, PowerPoint, OneNote and SharePoint; Internet Explorer Mobile; Windows Office Outlook Mobile; Windows Media Player Mobile; Terminal Emulation, NetMotion Mobility XE VPN; Device Management - Mobile Control Center (MCC)
Terminal Emulation	Open TekTerm; Stay-Linked Terminal Emulation; Naurtech Browser; Naurtech Terminal Emulation
Mobile VPN	NetMotion Mobility XE VPN
Device Mgmt	Mobile Control Center (MCC)

Software Utilities PsionVU; Total Recall / TweakIt / Dr. Debug

USER ENVIRONMENT

Operating Temp.	-20°C to +50°C / -4°F to +122°F
Storage Temp.	-40°C to +60°C / -40°F to +140°F
Humidity	5% to 95% non-condensing
Sealing	IP67, IP65, IEC 60529
Drop Spec	Multiple 6.5ft / 2 m) drops to polished concrete
Integrated Sensors	Motion (accelerometer); digital compass
ESD	+/- 8kV contact, +/- 15kV air discharge

WIRELESS DATA COMMUNICATIONS

WLAN	IEEE 802.11a/b/g/n, CCX v4, 802.1X, WPA / WPA2-Enterprise & Shared Key, FAST-MSCHAPv2; LEAP; PEAPv0-MSCHAPv2; PEAPv1-GTC; TLS, 64/128 WEP, AESCCMP, TKIP
WWAN (optional)	2.5G GSM/GPRS/EDGE radio, Quad-Band GSM: 850, 900, 1800, 1900 MHz; UMTS 3.8G HSPA+ radio, Five Band UMTS: 800/850, 900, 1900, 2100 MHz, Quad-Band GSM: 850, 900, 1800, 1900 MHz
WPAN	Bluetooth® V2.0 + EDR

REGULATORY

Worldwide Safety, EMC, RF, Laser approvals; CE Mark; E Mark (vehicle cradles); RoHS compliant; WEEE compliant; REACH compliant

ACCESSORIES

Switchable Keyboard, Integrated 1D, 2D and AutoRange Scanners, Desktop Docking Station, 6-Slot Spare Battery Charger, Vehicle Cradle, Carry Accessories. For a complete list of accessories, visit www.motorolasolutions.com/omniixt15.

WARRANTY

Subject to the terms of Motorola's hardware warranty statement, the Omnii XT15 is warranted against defects in workmanship and materials for a period of 1 (one) year from the date of shipment. For complete warranty statement, go to: <http://www.motorolasolutions.com/warranty>

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
