

# Big on functions small in size

*Portable,  
Intuitive  
Standalone*

## TH2

### INDUSTRY VERTICALS

- Hospitality & Commercial Services
- Retail

### APPLICATIONS

- Price marking & price markdown
- Shelf labeling
- Parking Tickets/ Receipts
- Small goods labeling (E.g. Cosmetics, Jewelry)
- Stock control
- Item identification
- Incoming goods labeling

### FEATURES

- Self-contained printing solution
- Compact, portable, battery operated printer
- AEP programming interface for easy label design and setup
- Real time calendar for date coded labeling
- Wide and adjustable LCD screen display
- Easy file transfer/ update of product lists
- Supports 2D barcode printing
- Multiple Interface – USB/ LAN
- Supports multiple language printing & display
- Linerless option

### ACCESSORIES

#### Cutter Option

Cuts and separates each label from another for easy application

#### Linerless Option

No backing/liner waste and more labels per roll

#### One-Touch Printing

Download product lists into the printer and print at ease with the touch of a button.

#### Store 30,000 Product Records

Store up to 30,000 product records in the TH2

#### Standalone Printing System

Built-in keypad, no need for PC

#### Date & Time Stamp

Real-Time-Calendar for automatic date and time stamp labeling

#### Intuitive Operation

Specially designed alphanumeric keypad; large, adjustable backlit LCD for easy scrolling through menu

#### High Resolution Printing

Prints text, graphics, linear and 2D barcodes

#### Anti-Microbial Casing

Ideal for clean environments where hygiene control and contamination prevention is vital

## About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

## Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
