

# star<sup>✶</sup> DP8340

## Versatile, Wide, Mobile Compact Receipt Printer

The DP8340 is a unique 114mm wide dot matrix impact printer used all around the world in multiple applications. The wide width allows it to print reports, receipts or invoices depending on your needs. Its ability to be powered by 12V in addition to its high reliability, make it a perfect product for mobile applications in vehicles. Special items on the receipt can be easily identified due to the printers red print feature.
