New generation Classic Bluetooth / BLE 58mm mobile **Receipt / Label** printer for fast, low cost, effortless connection to Apple iOS, Android, Linux & Windows mobile devices

The exciting new SM-L200 has been designed specifically for the fast growing mPOS market.

If you are not familiar with the term mPOS, this applies to any retailer / restaurateur or other user that would prefer to use a mobile tablet or smartphone instead of the usual terminal for POS transactions.

This mobile solution is designed to be simple & just literally connects without the need for traditional pairing. It is therefore perfect for environments where security is not an issue or mobile printers are shared. The easy-to-use "Drop-In & Print" paper loading, whether on the counter or on your belt, along with the long lasting battery life of 13 hours all leads to effective mobile POS transactions.

2"/58mm Bluetooth / BLE Mobile Receipt / Label Printer

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
