

SMD2-1317

Ideal Cash Drawer for any Retail Environment

Star Micronics is excited to announce the addition of the SMD2 series to its mPOS solution lineup.

Star's SMD2 cash drawers give retailers the ultimate flexibility in providing their customers with a truly unique shopping experience. It supports wireless operation and allows the user flexibility in configuring their store layout without restriction due to wiring or other traditional infrastructure limitations. With the ability to communicate via standard printer driven interface with included cable or Star's DK-AirCash wireless option for Ethernet,

Bluetooth 2.1 or MFi certified Bluetooth communication; Star's SMD2 cash drawers enable secure cash management in any sales environment. Available in small (SMD2-1214), medium (SMD2-1317) and large (SMD2-1617) sizes with either white or black color finish, Star's SMD2 cash drawers have a look and fit suitable for any application.

Star's SMD2-1317 is ideal for any retail or hospitality environment. The SMD2-1317 offers a standard sized cash drawer with the connectivity options necessary in any sales environment.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
