"Drop In & Print"
Paper Load

Optional Buzzer Alarm

When Thermal Isn't An Option - Use Star's SP700

An easy-to-integrate, innovative kitchen printer that can take the heat.

The SP700 impact printer is the latest addition to Star Micronics' robust line of printers. Built specifically to work in environments where heat and humidity can erode the type on the kitchen order, the SP700 is an ideal solution. This fast, two-color printer offers crisp, easy to read type for quick viewing, clamshell design for easy paper loading and an embedded power supply for space efficiency.

The SP700 ships complete, right out of the box, with free, feature - packed software included on CD:

- Ability to add graphics (logo, coupons)
- Invert Printing By Driver
- Ethernet Connection Set Up Utility
- Printer Memory Set Up Utility
- Virtual Serial Port (USB or Ethernet)

Thanks to Microsoft's Digitally Signed Certification (WHQL), the SP700 drivers features Star's "intuitive" compatibility for Microsoft® applications including:

- JavaPOS®
- Linux
- Mac® OSX
- OPOS®

The Ultimate Impact POS Solution!

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
