

## TSP650II

### Best Value-Driven Desktop Printer

**Star Micronics has further enhanced one of its legacy value-driven thermal printers with the introduction of the TSP650II Series.**

The TSP650II features the best of both worlds by coupling the comfort of legacy products with the speed and connection demanded today in hospitality environments. The TSP650II features low cost and high performance combined with the ability to work effectively in any environment. Out of the box, the TSP650II can

easily be configured. New vertical mounting stand and splash proof cover options help make it one of the most reliable POS printers in the world.

With its “drop in and print” paper loading, small footprint and reliable guillotine cutter, the TSP650II is a welcomed addition to POS systems. The TSP650II is ideal for retail establishments and restaurants. Demand everything from your receipt printer.

- **High Speed: 300mm / second**
- **Highly Reliable Auto Cutter**
- **Small Footprint**
- **“Drop In & Print” Paper Loading**
- **Serial, Parallel, USB, Ethernet, Bluetooth, WebPRNT interfaces available**

# TSP650II
