Quality, Reliability, and Value

### 17" TOUCHSCREEN

TS17R - M (pictured)

### 15" TOUCHSCREEN

TS15R - M (pictured)

The TRIVIEW TS15R and TS17R are engineered to become the benchmark for LCD touch screen displays. These monitors have a modern appearance with integrated features including a stable base (w/tilt), cable management, dual (Serial/USB) touch screen controller, and an optional MSR.

All of these features are offered at an extremely competitive price to increase return on investment for end users. TRIVIEW is the ideal choice for point of sale, point of service, industrial and kiosk applications.

### FEATURES

- Stable Base w/tilt and Cable Management
- Elo 5-wire Resistive Touch Technology
- Dual (Serial/USB) Touch Controller
- Wall Mountable (VESA Std)
- Integrated speakers
- 3 Year Std. Warranty
- UL, CE, FCC Certified

## About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

## Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
