

# CREATE A LASTING IMPACT

## Ithaca® Series 150 Impact

- Solid, reliability, incredible affordability
- Ready to configure and integrate to your system
- Receipt, validation, and journal capabilities make it perfect for point-of-sale and hospitality applications
- Prints receipts at 9.5 lps — customers get their receipts quickly
- Snap-in/snap-out ribbon cassette for quick, easy replacement
- Small footprint takes up less space on the counter
- Choose from four different Series 150 models

Leading companies in the POS and hospitality industries trust the Ithaca brand for fast, reliable printers that last. Our 150 is a compact, economical printer with excellent reliability and an industry-leading warranty. It prints at speeds of 9.5 lines per second, and has the flexibility of receipt, journal and validation capabilities. Our 150 also utilizes Oki® technology, known worldwide for quality, reliability and a snap-in/ snap-out, user-friendly ribbon cassette. We have four different 150 models to choose from, each delivering high performance at an extremely low total cost of ownership, together with a 2-year warranty offering extended maintenance options. And, of course, the Series 150 is backed by our solid reputation for quality and reliability.

## WHO WE ARE

TransAct Technologies Incorporated (Nasdaq:TACT) is the leader in developing and manufacturing market-specific printers for transaction-based industries. These industries include gaming, lottery, POS, kiosk, and banking. Each individual market has distinct, critical requirements for printing and the transaction isn't complete until the receipt and/or ticket is produced. TransAct printers are designed from the ground up based on market specific requirements and are sold under the Ithaca® and Epic product brands. TransAct distributes its products through OEMs, value-added resellers, and selected distributors. TransAct has over two million printers installed around the world. TransAct has a strong focus on the after-market side of the business, with a high commitment to printer service, supplies, and spare parts. TransAct is headquartered in Hamden, CT. For more information on TransAct, visit [www.transact-tech.com](http://www.transact-tech.com) or call 203-859-6800.
