

# VX 690

## THREE-IN-ONE PORTABLE PAYMENT

Verifone's VX 690 is big on portable performance. With the latest 3G wireless modem – plus Wi-Fi and Bluetooth capabilities – the VX 690 offers unheard of flexibility for merchants on the move. Lightning-fast transactions, a large touch-screen display and built-in GPS for tracking transactions are packed into this slim, handheld device.

### EMPOWERING SUCCESS

- Powered by HSPA+ 3G – with Bluetooth and Wi-Fi radio capabilities for faster processing, fewer dropped transactions and streamlined downloads
- Dual SIM keeps transactions moving and offers the ability to connect to different wireless networks
- Built-in GPS lets merchants track the location of every transaction – to more efficiently manage operations and inventory or establish territorial limitations
- Delivers optimum performance in the palm of your hand with durable construction that's built to last
- Engineered for maximum security and compliance with end-to-end encryption and the best data protection in the industry
- Internal PIN pad streamlines debit transactions
- PCI PTS 3.0 approved

### SPECIFICATIONS

## About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

## Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
