WPL612

BARCODE PRINTER

Productivity Solutions for Small Businesses

The WPL612 industrial barcode printer sets a new standard for industrial barcode printing. It's the most powerful barcode printer in the Wasp line, delivering advanced print speeds, durable construction, and high-volume barcode printing in mission-critical applications. Maximize your efficiency and throughput with print speeds of up to 12 inches per second, supported by 32 MB SDRAM and 8 MB Flash memory.

The WPL612 industrial barcode printer includes the features your application requires. Flexible connectivity options, including Ethernet, USB, serial, and parallel ports make installation easy. The WPL612 industrial barcode printer features all-metal housing with a heavy duty, die-cast aluminum print mechanism and 6-button LCD display.

The Wasp WPL612 includes a 2-Year manufacturer's warranty covering against material defects. The warranty can be extended and upgraded to include coverage against accidental breakage with the purchase of an optional WaspProtect extended service plan.
