# WWS450H

2D CORDLESS SCANNER

*Productivity Solutions for Small Businesses*

The Wasp WWS450H 2D healthcare barcode scanner offers fast, efficient barcode scanning. Accurately read 1D and 2D barcodes with the WWS450H aggressive digital imager scan engine.

Simply plug the USB adapter (or optional PS2, RS232) into a PC to rapidly scan barcodes up to 160 feet away from the communication stand using wireless connectivity. Barcode data is instantly added to a spreadsheet, document, or database, without time-consuming manual data entries or inaccuracies.
