

OmniBand™

SEE MORE. DO MORE.

Healthcare providers currently printing barcode labels can quickly implement barcode wristbands by placing a laser or thermal barcode label in Zebra's self-laminating OmniBand wristband—without the need for IT support.

Features Include

Self-laminating design protects printed text and barcodes

Tamper-evident, adhesive closure

Wristband extender to fit a wide range of wrist sizes

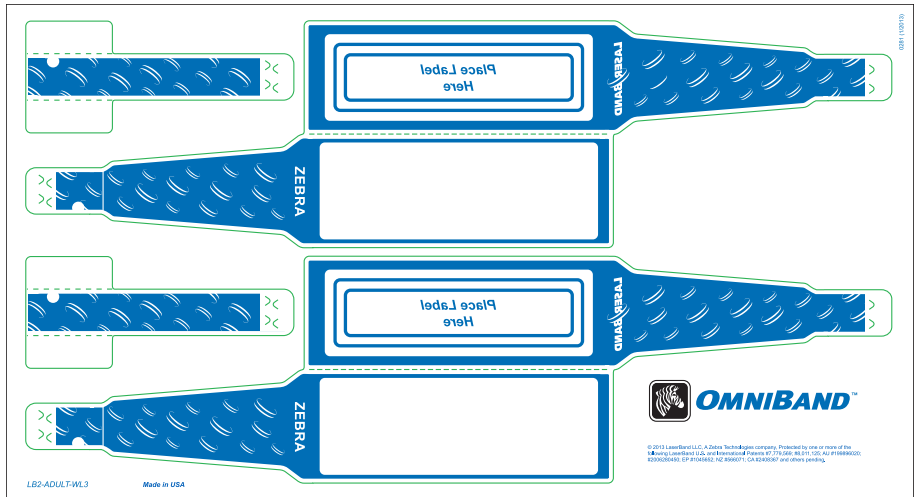

Accepts labels up to 3.25" x 1"

Available in adult and pediatric

Latex-free

Two wristbands per sheet

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
