ZebraNet™ Bridge Enterprise

Simplify Your Network Printer Management.

ZebraNet Bridge Enterprise provides robust management and control of your Zebra® printers. Leveraging the power of ZebraLink™, ZebraNet Bridge Enterprise allows your information technology (IT) staff to centrally manage distributed printers throughout your enterprise—all from a single PC screen located anywhere on your global network.

Easy to Install. Easy to Use.

ZebraNet Bridge Enterprise offers a familiar Windows®-like graphical user interface. And configuration of the software, including drag-and-drop file copying and wizard assistance, makes customizing it to your network quick and easy.

Raise Productivity and Cut Costs.

Reduce printer downtime: Whether the paper's out or the power's out, remote monitoring features help you get your printers back up and running without missing a beat. Save IT administrative time and costs by configuring or updating a selected printer or groups of printers remotely with a few clicks of a mouse. Calculate your potential savings using our return-on-investment (ROI) calculator at www.zebra.com/zebranetbridgeroi.

ZebraNet Bridge Enterprise

ZebraNet Bridge Enterprise removes the redundancy from printer setup, which significantly reduces time required for installation, modification, and support. With advanced monitoring features like application heartbeat and visual alerts, ZebraNet Bridge Enterprise maximizes printer uptime, maintains quality performance for mission-critical printing, and lowers the total cost of ownership for the print system. **Start leveraging the full power of your Zebra printers today with the free download at www.zebra.com/printermanagement.**

ZebraNet Bridge Enterprise Feature Matrix

Feature		Free Download up to 3 printers	Licensed Product 50, 100, or unlimited printers
Deployment	**Reduce IT time & costs with simplified installation & configuration of printers.**		
Automatic Discovery	auto discover networked printers via variety of search methods	•	•
Font Conversion Wizard	easily convert and download fonts	•	•
